 Sust Ag Educator Extension Agent Customer (1 of 3)

Date of the inspection: 18 April 2022 How long did the inspection last?: 1.5 HRS

Was this inspection carried out in person or via remote video? In Person Remote Video*

*Remote inspections are coordinated by CNG staff and must be consistent with what's stated at CNGfarming.org/remote_policy

Based on my observations and interview with the producer(s), I feel confident in making the following declarations about the operation:

The producer engages in sustainable agricultural practices that promote the long-term fertility of soils and conserve water resources on their farm. Agree / Disagree CB
(Your initials)

The farmer demonstrates a commitment to the protection of the air, soils, waters, and biodiversity of the surrounding land. Agree / Disagree CB
(Your initials)

I saw no evidence that prohibited insecticides, herbicides, fungicides, or chemical fertilizers were in use on the farm. Agree / Disagree CB
(Your initials)

The land under consideration looks to be surrounded by an adequate buffer to protect from chemical spray drift contamination. Agree / Disagree CB
(Your initials)

The farmer is careful to make sure that no genetically modified or chemically treated seeds are used on this acreage. Agree / Disagree CB
(Your initials)

I feel confident in recommending that the above listed producer(s) and their farm...

be included **not be included**

...in the Certified Naturally Grown program.
