

Certified Naturally Grown
LIVESTOCK SUMMARY INSPECTION REPORT

Farmer/s: Carolyn Boyd Farm name: Butte Mountain Farm

Inspector: Karen Friis Affiliation (farm name, extension...) customer

Inspector is: CNG Farmer Farmer using natural practices Cert Organic Farmer
 Extension or NRCS Agent Sust Ag Educator Master Gardener Customer (1 of 3)

Date of the inspection: 8-12-2012 Duration: 2 1/2 hours

Based on my observations and interview with the producer(s), I feel confident in making the following declarations about the operation:

The farmer engages in sustainable agricultural practices that promote the long-term fertility of soils and conserve water resources on their farm. Agree / Disagree KF
(Your initials)

I saw no evidence of synthetic chemical insecticides, herbicides, fungicides, fertilizers, nor that antibiotics or prohibited synthetic parasiticides were used. Agree / Disagree KF
(Your initials)

The farmer demonstrates a commitment to the health and welfare of the animals under his/her care and conscientiously raises them according to Certified Naturally Grown standards. Agree / Disagree KF
(Your initials)

I am confident that the livestock feed and/or forage is either certified organic, Certified Naturally Grown, or grown according to these standards. Agree / Disagree KF
(Your initials)

The fields and pasture under consideration look to be surrounded by an adequate buffer to protect from chemical or spray drift contamination. Agree / Disagree KF
(Your initials)

The farmer demonstrates a commitment to the protection of the air, soils, waters, and biodiversity of the surrounding land. Agree / Disagree KF
(Your initials)

I feel confident in recommending that the above listed producer(s) and their farm

be included **not be included**

in the Certified Naturally Grown program.

As a CNG farmer I'm committed to continually enhancing my farm's sustainability and going beyond what's required. During the next twelve months I will... Increase sales by researching what needs to be done to sell meat at Farmers Markets and keep the meat in freezers on the farm.
