 Extension Agent Sust Ag Educator Master Gardener Customer (1 of 3)
 Date of the inspection: 3-29-15 How long did the inspection last?: 2 Hours

Based on my observations and interview with the producer(s), I feel confident in making the following declarations about the operation:

The producer engages in sustainable agricultural practices that promote the long-term fertility of soils and conserve water resources on their farm. Agree / Disagree Caw
(Your initials)

The farmer demonstrates a commitment to the protection of the air, soils, waters, and biodiversity of the surrounding land. Agree / Disagree Caw
(Your initials)

I saw no evidence that prohibited insecticides, herbicides, fungicides, or chemical fertilizers were in use on the farm. Agree / Disagree Caw
(Your initials)

The land under consideration looks to be surrounded by an adequate buffer to protect from chemical spray drift contamination. Agree / Disagree Caw
(Your initials)

The farmer is careful to make sure that no genetically modified or chemically treated seeds are used on this acreage. Agree / Disagree Caw
(Your initials)

I feel confident in recommending that the above listed producer(s) and their farm

be included not be included

in the Certified Naturally Grown program.

Annette + Bill have done a great job building healthy soil!

As a CNG farmer I'm committed to continually enhancing my farm's sustainability and going beyond what's required. During the next twelve months I will...

*Continue the drip irrigation expansion
Re-commit to mason bee blocks. Plant more flowers in gardens to attract more pollinators.*
