Inspection Date 05-24-2015 Total Inspection Time: one hour

---

To the best of my abilities and based on my observations and interview with the beekeeper/s, I feel confident in making the following declarations about the apiary/ies the above beekeeper wants to have listed as Certified Naturally Grown:

- The beekeeper is careful to make sure that no prohibited insecticides, herbicides, fungicides, chemical fertilizer, or genetically modified crops are used on the land where the apiary is located.  Agree / Disagree CJC  
(Your initials)
- The hives are located in an area/s with abundant and diverse pollen and nectar sources that are adequate to support the health of the apiary's bee population.  Agree / Disagree CJC  
(Your initials)
- The beekeeper refrains from the use of synthetic in-hive treatments.  Agree / Disagree CJC  
(Your initials)
- The beekeeper refrains from overaggressive harvesting of honey and excessive feeding of sugar.  Agree / Disagree CJC  
(Your initials)
- The beekeeper refrains from overaggressive harvesting of pollen and propolis – the bees' food and medicine.  Agree / Disagree CJC  
(Your initials)
- The beekeeper demonstrates a commitment to sustainable practices that seek to protect and improve the health of the honey bee population.  Agree / Disagree CJC  
(Your initials)

I certify that to the best of my abilities, observations, and based on my personal interview with the beekeeper/s, I feel confident in recommending that the above listed beekeeper/s and their apiary

**be included**

**not be included**
