Farmer/s: Sarah Harding Farm name: Boggy Road Farm
 Inspector: Brooke Bohannon Affiliation (farm name, extension...) The Wicked Good Farm
 Inspector is a: CNG Farmer Farmer using natural practices Cert Organic Farmer
 Extension Agent Sust Ag Educator Master Gardener Customer (1 of 3)
 Date of the inspection: 6/5/15 How long did the inspection last?: 1.5 hr

Based on my observations and interview with the producer(s), I feel confident in making the following declarations about the operation:

The producer engages in sustainable agricultural practices that promote the long-term fertility of soils and conserve water resources on their farm. Agree / Disagree BB
(Your initials)

The farmer demonstrates a commitment to the protection of the air, soils, waters, and biodiversity of the surrounding land. Agree / Disagree BB
(Your initials)

I saw no evidence that prohibited insecticides, herbicides, fungicides, or chemical fertilizers were in use on the farm. Agree / Disagree BB
(Your initials)

The land under consideration looks to be surrounded by an adequate buffer to protect from chemical spray drift contamination. Agree / Disagree BB
(Your initials)

The farmer is careful to make sure that no genetically modified or chemically treated seeds are used on this acreage. Agree / Disagree BB
(Your initials)

I feel confident in recommending that the above listed producer(s) and their farm

be included **not be included**

in the Certified Naturally Grown program.

Sarah has incorporated main sustainable practices into her farm. I am confident that she will continue and increase these practices in the future. At the inspiration!

As a CNG farmer I'm committed to continually enhancing my farm's sustainability and going beyond what's required. During the next twelve months I will... pursue sourcing local seeds for microgreens.
