

Certified Naturally Grown Inspection Report ~ Apiary

Apiary Name Testa Produce - Chicago Honey Co-op
 Beekeeper/s Name/s Michael Thompson
 Apiary Location/s Lot behind Testa Produce, 47th & Racine
 Inspector Jefferson Shuck
 Inspector Affiliation/s (club &/or apiary) Honey Bee Genetics
 Inspection Date Nov. 27, 2015 Total Inspection Time: 3/4 hour

To the best of my abilities and based on my observations and interview with the beekeeper/s, I feel confident in making the following declarations about the apiary/ies the above beekeeper wants to have listed as Certified Naturally Grown:

The beekeeper is careful to make sure that no prohibited insecticides, herbicides, fungicides, chemical fertilizer, or genetically modified crops are used on the land where the apiary is located. Agree / Disagree SS
(Your initials)

The hives are located in an area/s with abundant and diverse pollen and nectar sources that are adequate to support the health of the apiary's bee population. Agree / Disagree SS
(Your initials)

The beekeeper refrains from the use of synthetic in-hive treatments. Agree / Disagree SS
(Your initials)

The beekeeper refrains from overaggressive harvesting of honey and excessive feeding of sugar. Agree / Disagree SS
(Your initials)

The beekeeper refrains from overaggressive harvesting of pollen and propolis – the bees' food and medicine. Agree / Disagree SS
(Your initials)

The beekeeper demonstrates a commitment to sustainable practices that seek to protect and improve the health of the honey bee population. Agree / Disagree SS
(Your initials)

I certify that to the best of my abilities, observations, and based on my personal interview with the beekeeper/s, I feel confident in recommending that the above listed beekeeper/s and their apiary

be included

not be included
