Based on my observations and interview with the beekeeper(s), I feel confident in making the following declarations about the operation:

The beekeeper is careful to make sure that no prohibited insecticides, herbicides, fungicides, chemical fertilizer, or genetically modified crops are used on the land where the apiary is located. Agree / Disagree JS
(Your initials)

The hives are located in an area/s with abundant and diverse pollen and nectar sources that are adequate to support the health of the apiary's bee population. Agree / Disagree JS
(Your initials)

The beekeeper refrains from the use of synthetic in-hive treatments. Agree / Disagree JS
(Your initials)

The beekeeper refrains from overaggressive harvesting of honey and excessive feeding of sugar. Agree / Disagree JS
(Your initials)

The beekeeper demonstrates a commitment to sustainable practices that seek to protect and improve the health of the honey bee population. Agree / Disagree JS
(Your initials)

I feel confident in recommending that the above listed producer(s) and their apiary...
