

**Certified Naturally Grown  
APIARY SUMMARY INSPECTION REPORT**

Beekeeper(s): Ken Randall      Apiary Name: O-BEE-X Honey bees  
 Inspector: Denise Deacon      Affiliation (Bee Club/Apiary): Outer Banks Beekeepers' Guild

Inspector is:                       CNG Beekeeper       Beekeeper using natural practices  
 Educator of natural beekeeping       Customer (1 of 3)       Certified Organic Beekeeper

Date of the inspection: 4.13.19      Total Inspection Time: 30 min.

Based on my observations and interview with the beekeeper(s), I feel confident in making the following declarations about the operation:

- The beekeeper is careful to make sure that no prohibited insecticides, herbicides, fungicides, chemical fertilizer, or genetically modified crops are used on the land where the apiary is located.      Agree / Disagree D  
(Your initials)
- The hives are located in an area/s with abundant and diverse pollen and nectar sources that are adequate to support the health of the apiary's bee population.      Agree / Disagree D  
(Your initials)
- The beekeeper refrains from the use of synthetic in-hive treatments.      Agree / Disagree D  
(Your initials)
- The beekeeper refrains from overaggressive harvesting of honey and excessive feeding of sugar.      Agree / Disagree D  
(Your initials)
- The beekeeper demonstrates a commitment to sustainable practices that seek to protect and improve the health of the honey bee population.      Agree / Disagree D  
(Your initials)

I feel confident in recommending that the above listed producer(s) and their apiary...
