Certified Naturally Grown™ SUMMARY INSPECTION REPORT - Produce

Inspector Michael Report Annold Inspection Date O/2 Cotal On-Farm Inspection Time: To the best of my abilities and based on my observations and interview with the producer(s), I feel confident in making the following declarations about the farm the above grower wants to have listed as Certified Naturally Grown : I saw no evidence of prohibited insecticides, herbicides, fungicides, prohibited chemical fertilizer, hormones or antibiotics use. The farmer is not irrigating from a water source that I know or suspect to be chemically contaminated. The fields and pasture under consideration look to be surrounded by an adequate buffer to protect from chemical or spray drift contamination. The farmer is careful to make sure that no genetically modified or chemically treated seeds are used on this acreage. The Grower(s) demonstrate a commitment to sustainable agricultural practices that seek to maintain and increase the long-term fertility of soils and protect and conserve water resources. I certify that to the best of my abilities, observations, and based on my personal interview with the producer(s), I feel confident in recommending that the above listed producer(s) and their farm or ranch The Certified Naturally Grown program.
